OK, we are doing a good job of keeping each other on track. I want to reiterate the there are outstanding issues that I trust you and me to work through (client disengagement, court filings removing you or [REDACTED] the Google Plus fix, and I am sure others). Attached is the final, signed by me and the redline so you can see the alterations.

Our employment lawyer confirmed that having no signed agreement with **Dick** is better than an un-reviewed version. You need to come to the office and pick up from my desk, **Dick's** final paycheck, and two expense checks. It is Oregon Law that he be paid within 24 hours of his termination. Today is his last day, please inform him.

Thank you,
 Anne
